

# ■ Dragon — Edea Flamberge

**Archetype:** DPS / Fire Mage

**Role:** High-risk, high-damage destruction specialist

**Canonical Name:** Edea Flamberge

**Prototype:** Naga (Slayers)

## Visual Identity

Edea Flamberge is a humanoid dragon mage redesigned to fully embrace modern anime aesthetics. She radiates raw destructive power and dangerous charisma. Her appearance combines beauty, aggression, and overwhelming elemental dominance.

## Appearance

- Horns and draconic traits
- Sharp claws and confident posture
- Fiery red hair and glowing eyes
- Seductive yet threatening presence

## Environment & Mood

- Flames, scorched air, burning runes
- Cracked tiles and molten fragments
- Palette: Red, orange, black, ember-gold

**Mood:** "I am destruction given form."

## Gameplay Mechanics

- Excels at aggressive playstyles
- Converts pressure into offensive power
- Amplifies combos and line clears into explosive effects
- Vulnerable to mistakes — rewards mastery

## Canonical Note

This visual redesign is canon. Gameplay mechanics remain unchanged from previous design iterations.
